IMPORTANT NOTICE

Any utility payments mailed to our old PO Box (PO Box 866, Doña Ana, NM, 88032) will now be returned to the customer. Please Send All Payments To Our New Address: PO Box 15124, Sacramento, CA, 95851-0124. Those customers who have Bill Pay with First Light will need to contact your bank to update the payment address. To ensure your payments are processed on time and to avoid any service interruptions, please update your records. If you have any questions please contact our Customer Service Department at

EMPLOYEE SPOTLIGHT

We at Doña Ana MDWCA would like to extend our sincerest congratulations to Mark Lopez 5-year work anniversary, Natalie Gabaldon 4-year-work anniversary and Estevan Giron 2-year work anniversary. We are proud to have you with us and look forward to your continued success.

Also, congratulations to Izaiah Escalante for passing his Water Level 2 State Certification and to Julian Castillo for passing his Wastewater Level 2 State Certification. Your determination and perseverance have paid off. Keep it up!

2026 CHILDREN'S WATER FESTIVAL

“Every Hero’s Superpower” was the theme of the 2026 Water Conservation Program hosted by the City of Las Cruces. The events main goal was to teach 4th graders in the Las Cruces area water saving techniques to use at home and school. The Water Festival will also promote environmental awareness, the importance of protecting our natural resources, informational booths and hands-on water activities for the children.

This year Doña Ana MDWCA’s booth theme was Combatting Contamination One Clean Water Drop At A Time! Our presentation showed how Earth’s layers naturally filter out large debris, contaminants, sediment and harmful microorganisms. The display mimicked how water moves into an underground aquifer.

SHOUT OUT to Estevan and Jeremy for helping with the construction of our presentation!

RECOMMENDED WATER SCHEDULE

To help conserve our precious water resources, Doña Ana MDWCA's recommended water schedule is in effect until September 30th. **Save Water! Every Drop Counts! Help Conserve!**

NO watering on Mondays

BATHROOM CONSERVATION TIPS

1

Fix Your Leaks: Repair your dripping toilets and faucets ASAP: a leaky toilet wastes many gallons of water which will add an additional charge on your water bill.

2

Shorten Your Shower Time: A typical shower uses five to ten gallons of water per minute. Take a shorter shower to save on water usage.

3

Turn Off The Water While Brushing Your Teeth: Wet your toothbrush and fill a glass for rinsing your mouth. Leaving on your water can waste as much as four gallons .

4

Turn Off The Water While Shaving: Fill the sink with a few inches of hot water to rinse the razor between strokes. Remember to turn off the tap to reduce water usage.

5

Install Water Saving Showerheads: Reduces water usage, which translates to lower Utility bills.

POLICY FEATURE

Having our POLICY FEATURE in our Newsletter helps build relations with our customers through regular communication and better understanding about our policies at DAMDWCA.

BILLING FOR UTILITY SERVICE

Doña Ana MDWCA will bill on a cyclical billing basis based on a billing period of approximately thirty (30) days "or a standard billing month". The Association will administer all applicable fees, penalty fees, nonpayment fees and procedures in compliance with Doña Ana MDWCA Billing and Service Policies. Meters will be read as nearly as possible at regular intervals on a monthly basis. In the event that meters cannot be read due to inaccessibility, register failures, damage, tampering, bypassing, or other causes, the metered values will be estimated based on the following: Previous consumption by metered service to the premises; Average consumption for the corresponding billing periods during which the meter(s) are known to have registered correctly; Consumption as registered by a secondary meter if installed, or Estimation based on the nature of use, volume or business, seasonal consumption, and/or any other factors that may assist in determining consumption.

For the full policy please see page 13 in our Policy Handbook.
