**Questions Received through December 3, 2018**  
**RFPs 2018-01, 2018-02, 2018-03, 2018-05 & 2018-06**

**Questions Received:**

- 1. It appears from the answers that an electronic submittal would be accepted in lieu of the 6 hard copies. Is this correct? Or are the 6 hard copies preferred?**

*There must be 6 hard copies, the offeror may also submit an electronic version in addition to the hard copies but not in lieu of the 6 hard copies.*

- 2. During the preproposal meeting and in the first batch of questions/answers posted to the website, there was an indication of an electronic proposal (as a PDF on a USB drive) element for the five submittals. As there is no mention of an electronic format option in any of the RFP documents, can you please clarify this?**

- 3. During the preproposal meeting, a point was brought up regarding a cost proposal being submitted in a separate envelope. As there is no mention of a cost proposal element in any of the RFP documents, can you please clarify this?**

*This is correct, please do not submit a cost proposal.*
